INFORMATION SERVICES AGREEMENT

POSTED February 16, 2024

THE PROVISION AND USE OF ALL SERVICES OF CLARITAS, LLC ON BEHALF OF ITSELF AND ITS AFFILIATES (COLLECTIVELY, “CLARITAS”), INCLUDING ADXCEL, INC. DBA ARTSAI, ARE GOVERNED BY THE TERMS OF THIS INFORMATION SERVICES AGREEMENT AND THE ADDITIONAL LICENSOR AND DATA-SPECIFIC TERMS SET FORTH BELOW, AS APPLICABLE (“AGREEMENT”), UNLESS SUPERSEDED BY A SEPARATE AGREEMENT BETWEEN YOU OR YOUR COMPANY (“LICENSEE”) AND CLARITAS.

1. Agreement. This Agreement governs the provision of all Claritas services (each, a “Service”), including access to software applications, technology and tools through a web-based hosted interface (“Platform”) and/or delivery of licensed data, maps, reports, tools, technology and other materials (collectively, “Licensed Materials”). Unless superseded by a separately executed agreement, these terms apply to all Services provided to Licensee.

2. Updates & Enhancements. Claritas will provide Licensee with updates and enhancements to the Services as are generally made available to other licensees during the term of license (“Term”). Claritas reserves the right, from time to time, to enhance, update or otherwise change any Service, provided that such modifications do not materially degrade the functionality of that Service.

3. Payment & Invoicing. Charges are invoiced and/or payments will be made through the Platform, as agreed. Undisputed invoices, including those for any applicable sales or use tax, are payable within 30 days. Claritas reserves the right to suspend Services and invoice Licensee for accrued interest (at 1.5% per month) if past due, undisputed amounts remain unpaid 30 days following written notice.

4. License Grant. Services, including Licensed Materials, are the exclusive property of Claritas and/or its third party licensors (“Licensors”). Claritas grants to Licensee a non-exclusive, non-transferrable license for the specified Term to use the Services internally and as further specified below, in support of Licensee’s marketing and promotional purposes in the United States. Licensee may enlist the services of a third party processor to utilize the Services on Licensee’s sole behalf, provided that such third party has executed a Third Party Processor Agreement with Claritas. Notwithstanding the foregoing, a Third Party Processor Agreement is not required for any dedicated third party processor or consultant functioning as part of Licensee’s internal team (not acting on behalf of multiple clients, while representing a separate service provider); provided Licensee assumes responsibility and liability for such third party to the same extent as it assumes for its own employees.

5. Disclosure of Output. Licensee may share reporting and analysis containing excerpts of aggregated (not individual or household) data from the Licensed Materials (collectively, “Output”) with third parties solely in support of Licensee’s efforts to market or promote its business, products or services. Output disclosed to third parties may not be presented in a misleading manner, must cite Claritas and any sourced Licensor, and may not remove or obscure any copyright, trademark or restrictive legend. No portion of the Services may be used internally or disclosed externally in a manner that is competitive with Claritas services.

6. Use Restrictions. Except as expressly authorized in this Agreement, Licensee will not:

(a) Copy or reproduce the Licensed Materials (except for execution and backup purposes, or to generate Output, which may be reproduced as needed), exceed the number of specified licensed users, or reverse engineer, decompile, decode or attempt to re-identify an individual from any portion of the Services;

(b) Distribute, resell, sublicense or otherwise provide Licensed Materials or derivatives based on the Licensed Materials to any third party, or place the Licensed Materials or Output on any publicly accessible website, without Claritas’ prior written consent;

(c) Use the Licensed Materials to prepare, verify or modify any directory or mailing or marketing list which is owned by a third party or distributed to third parties not acting on Licensee’s behalf, or to develop any application or service for list enhancement or data appending; or

(d) Use any portion of the Licensed Materials (i) for determining terms or eligibility of an individual for employment, credit, healthcare, charity care or insurance, (ii) for any purpose for which a consumer report may be used or to take any adverse action under the Fair Credit Reporting Act, or any purpose that could result in disparate impact or treatment against any group or on a prohibited basis under the Equal Credit Opportunity Act or Fair Housing Act, or; (iii) for the collection, negotiation or restructuring of debt, credit repair, payday lending, or to assess consumer financial risk; (iv) to predict the efficacy of any medical treatment or the propensity to use a prescription drug or medical device; or (v) in conjunction with any content, including marketing communications, solicitation or ad copy, that is discriminatory, predatory, deceptive, profane, obscene, or illegal, promotes adult entertainment, sexual paraphernalia, firearms, or that refers to selection criteria, presumed knowledge, or the source of personal information about a recipient.

7. Licensee Data. Licensee may submit to Claritas confidential and proprietary records that include personal data, such as names and addresses, originating from the United States only (“Licensee Data”). Such records must be in encrypted, machine-readable format and exclude all sensitive data elements, including protected health information, and any information not specifically requested by Claritas. Licensee grants to Claritas a limited, non-exclusive license, in the United States, to use Licensee Data for and on behalf of Licensee in its provision of Services.

8. Confidentiality & Security.

(a) Either party (“Disclosing Party”) may provide the other party (“Receiving Party”) confidential materials and information, including Licensee Data, Licensed Materials, Output, and/or any financial, sales, or business information, that are not (i) disclosed in public materials or in the public domain through no action or disclosure by the Receiving Party; (ii) lawfully obtained from a third party without any obligation of confidentiality; (iii) lawfully known to the Receiving Party prior to disclosure by the other party; or (iv) independently developed by the Receiving Party without reference to the Disclosing Party’s information (collectively “Confidential Information”).

(b) As between the parties, each party retains all ownership to its Confidential Information. The Receiving Party will maintain the confidentiality of and will not use or disclose such Confidential Information to a third party, with the exception of disclosures to the Receiving Party’s auditor or legal counsel and disclosures authorized by this Agreement, for which the Receiving Party will be responsible for compliance by recipients with applicable terms of confidentiality and use of such Confidential Information. If compelled by law or regulation, the Receiving Party may disclose Confidential Information to a court or regulatory authority following written notice to the Disclosing Party and, to the extent possible, the opportunity to obtain protective orders or evidentiary stipulations. The Receiving Party will limit disclosures to the minimum necessary to comply with legal or regulatory requirements or other authorized purpose. If required, Licensee’s name may be disclosed to a Licensor for royalty reporting purposes only, subject to obligations of confidentiality. Neither party may use the name, trademark or logo of the other party in any advertising or promotional material without prior written consent, except as part of a preferred vendor or customer list, which is permissible by either party. Any unauthorized disclosure or distribution of Confidential Information may cause irreparable harm and entitle the Disclosing Party to injunctive relief.

(c) The Receiving Party has implemented and maintains an information security program appropriate to its size and complexity, the nature and scope of its activities, and the sensitivity of information received and stored, containing appropriate administrative, physical, and technical safeguards to protect the security, confidentiality and integrity of Confidential Information, with measures designed to prevent unauthorized access and disclosure. The Receiving Party will notify the Disclosing Party of any unauthorized access to or unauthorized use or disclosure of the Disclosing Party’s Confidential Information.

(d) The Receiving Party will destroy the Disclosing Party’s Confidential Information within 30 days following the Term, or earlier, upon request, with the exception of any copies created by the Receiving party and securely archived or stored as part of its business continuity or disaster recovery plan, which may include portions of Confidential Information, will be destroyed in accordance with the Receiving party’s internal destruction policy.

9. Representations & Warranties. For any use of Services that includes measurement, tracking or targeting audiences within any website, web page component, podcast, advertising, application, or other digital property (“Site”), which includes any website associated with advertised brands, such as Services involving the placement of Claritas tags, pixels or other mechanisms (“Pixels”) directing impressions data to Claritas, Licensee represents or, if applicable, will require that its agency represents on its behalf that: (i) no terms of use, privacy policy, or representations made to Site visitors will be violated by such use; (ii) Sites will display privacy policies that disclose applicable data collection practices, including the types of data collected and purposes for which data is collected by or transferred to third parties, plus feature working mechanisms that conspicuously enable consumers to opt out in accordance with Applicable Laws; and (iii) such Services will not be used in conjunction with any Site directed to children under the age of 16, or in any manner implicating the Children’s Online Privacy Protection Act. Licensee may not install the Pixel into unauthorized Sites without prior written consent and will notify Claritas if it removes an active Pixel during the Term. Licensee acknowledges that Claritas will not process any personal information originating from outside of the United States, unless expressly agreed in this Order. Claritas reserves the right to exclude any use of the Services that does not comply with these terms.

10. Limitations of Liability. IN NO EVENT WILL CLARITAS, LICENSEE OR ANY LICENSOR BE LIABLE FOR INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES OR DAMAGES DUE TO LOSS OF DATA OR PROFITS ARISING IN CONNECTION WITH THIS AGREEMENT, EVEN IF ADVISED OF THE POSSIBILITY THEREOF. NEITHER PARTY WILL BE LIABLE FOR ANY CLAIM (WITH THE EXCEPTION OF A CLAIM FOR NONPAYMENT) BROUGHT MORE THAN ONE YEAR AFTER THE CAUSE OF ACTION HAS ACCRUED, NOR FOR ANY CLAIM (UNLESS SUBJECT TO AN INDEMNITY OBLIGATION) IN EXCESS OF AMOUNTS PAID DURING THE PRECEDING TWELVE MONTHS (“ANNUAL SPEND”) IN CONNECTION WITH THE SERVICES GIVING RISE TO SUCH CLAIM. TOTAL LIABILITY FOR A CLAIM FOR WHICH A PARTY IS EXPRESSLY INDEMNIFIED, WITH THE EXCEPTION OF ANY CLAIM FOR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, WILL NOT EXCEED \$250,000 OR THE ANNUAL SPEND, WHICHEVER IS GREATER.

11. Indemnification. Each party will indemnify the other and defend or settle at its own expense any claim by a third party arising from the party’s breach of its Use Restrictions, Representations & Warranties, and Confidentiality & Security obligations, or arising from its gross negligence or willful misconduct. The indemnified party must provide prompt notification and reasonable information and cooperation in defense of the claim, ceding control of the defense and settlement to the indemnifying party, including selection of reputable counsel; provided that the indemnifying party will keep the indemnified party reasonably informed and will not enter into any settlement that includes an admission of fault or liability by the indemnified party without such party’s approval.

12. Term and Termination. Each Service will remain in effect for the specified Term, except as set forth below. Licensee may terminate and receive a refund of fees paid for any Service that fails to conform to this Agreement or published specifications, if not repaired or replaced with a conforming Service within 60 days following receipt of Licensee’s written notice of nonconformity. Either party may terminate a Service in the event of (a) a material breach by the other party (other than a Service nonconformity as specified above) which remains uncured after 30 days following written notice; (b) insolvency or a proceeding in bankruptcy against the other party; or (c) a change in applicable law or regulation that materially limits or prevents the provision or use of a Service. Claritas may also terminate a Service that is being discontinued or terminated for all licensees of that Service. Upon expiration or termination, Licensee will cease all use of the terminated Service. Output in Licensee’s possession may be retained internally for historical, comparative or archival purposes only. Any other Licensed Materials in Licensee’s possession must be purged and destroyed within 30 days. Upon request by Claritas, Licensee will provide written verification of its compliance with its obligations.
